

Double Vertical Finger Duct Cable Manager

Description

The Double Finger Duct Cable Manager provides the extra capacity required for high density rack installations. The molded plastic fingers feature smooth, rounded edges that won't snag or bind cables, while the split hinged covers provide easy access for routing and organizing cables.

Product Specifications

Product Type: Vertical Finger Duct Cable Manager

Base Material: Steel

Finger Duct Material: Plastic

No. of Removable Covers: 4

Cover Material: Steel

Dimensions (HxWxD): See Chart Below

Rack Unit Quantity: See Chart Below

Cable Capacity: See Chart Below

Cable Pass-Through Openings: Yes

Mounting Hardware: Included

Quantity Per Package: 1 (Sold Individually)
