SCP-EASYFIBER™ KEVLAR AND ARAMID YARN SHEERS - 1EA

SCP PART#:
EFT-KSHEER

PRODUCT SUMMARY

The SCP-EasyFiber Fiber Optic Kevlar / Aramid Yarn Sheers is a professional-grade tool for preparing fiber optic cable for installation and termination. They're designed to cut through the Kevlar and/or aramid yarn strength members found inside fiber optic cabling

The SCP-EasyFiber Fiber Optic Kevlar / Aramid Yarn Sheers is an essential tool for any fiber installer.

SCP-EasyFiber™
