Streamline
Plastic Wallplates ❯

The Streamline series has traditionally been a family of low-profile plastic and steel wallplates designed for applications requiring minimum labeling and port designation. The plastic wallplates have a label for easy identification of the wallplate.

All Streamline Wallplates are available in one, two, three, four and six port wallplate configurations. The plastic series also provides a 4 Port 1U configuration. Streamline Wallplates utilize DataGate Plus Jacks and 1U/Single-position fiber and copper modules. Streamline Wallplates are UL-approved and are rear-loading to resist tampering.

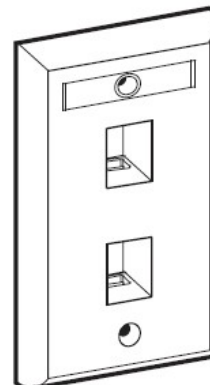

1 Port Wallplate
Dimensions: 115.06mm x 70.10mm x 10.41mm
*4.53"H x 2.76"W x .41"D*
Shipping Weight: 34g (1.2 oz.)

4 Port Wallplate
Dimensions: 115.06mm x 70.10mm x 10.41mm
4.53"H x 2.76"W x .41"D
Shipping Weight: 34g (1.2 oz.)

2 Port Wallplate
Dimensions: 115.06mm x 70.10mm x 10.41mm
4.53"H x 2.76"W x .41"D
