

Variable-Depth Rack Shelf *DNRM Series*

Load rated to 300 lbs (136 kg)

Note: This product line will be discontinued on October 01, 2026 at which time it will only be available while supplies last. No returns will be possible after the discontinuation date.

The suggested replacement will be **BRS Series**. For alternative solution assistance, please **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

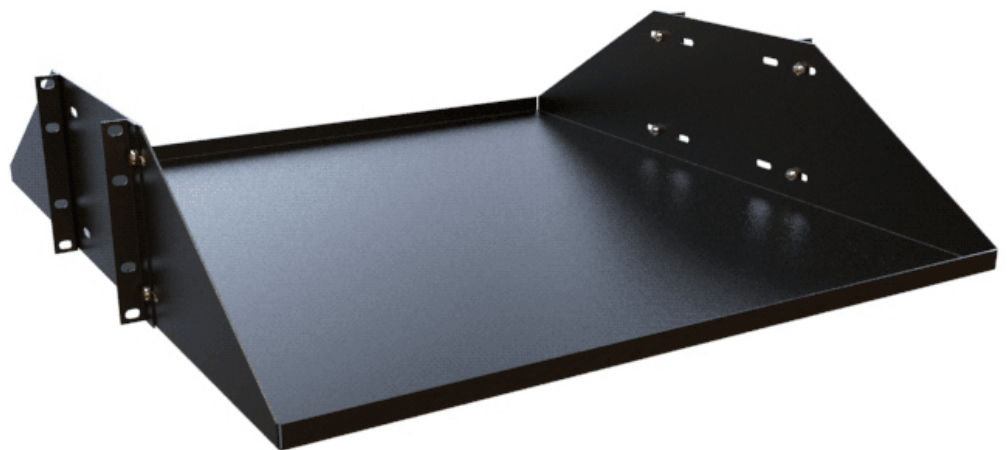

Features

- Designed for use with our heavy-duty **DNRR** and **DRZ4** double-tapped two (2) post racks or any 2 post rack.
- Constructed of heavy-duty 16 gauge steel.
- Choice of 19" or 24" deep (19" deep shown).
- The vented version provides a sturdy shelf without obstructing upward heat movement.
- The front and rear lips are folded for extra strength & become equipment retainers.
- 300 lbs (136 kg) **load rating**.
- Finished in textured RAL9005 black powder coat. Complies with the Greenguard guidelines for indoor air quality.
- TAA-compliant for federal GSA schedule purchases within the USA.
- RoHS and REACH compliant.
- Manufactured in North America.
