

Part #: F1PCM100

Part #: F1PCM084

FEATURES

- (2) Cable Management Brackets
- 1.375" Inner Bend Radius
- 0.84" High or 1.0" High
- Includes Mounting Hardware
- Singular, Center Screw Down Point
- Compatible with FIS Slide-Out Rack Mount Enclosures

These FIS Plastic Cable Management Spools come in a pair of two brackets, and are compatible with FIS rack (Slide-Out versions) and wall mount enclosures. They are ideal for storing spare cable and managing incoming or outgoing fibers. They feature a 0.84 & 1.0" high spool and a 1.375" bend radius for routing most fiber types within enclosures. Mounting hardware included.
